

# Hitachi Astemo Aftermarket at Equip Auto Lyon

From September 28 to 30, Hitachi Astemo Aftermarket will be exhibiting at Equip Auto in Lyon, France.

Created in 1975, Equip Auto Paris is the international benchmark event within the EMEA zone for aftersales and services related to connected mobility.

For its first Lyon edition, the must-do tradeshow will be an opportunity to connect with customers, platforms, distributors, and repair garages, enabling the company to present its innovations and aftermarket product range from six strong brands: Hitachi, HÜCO (HUECO), Tokico, Showa, Nissin and Keihin.
